MINIMUM REQUIREMENTS TO MARKET AN ACTIVITY AND/OR SERVICE WITH BARCELONA TICKETS

- Target entities or companies: natural or legal persons set up in Spain, with an activity related to tourism or trade. The activity or service must take place, preferably, in Barcelona or its environs.

- The activity or service must comply with Turisme de Barcelona’s quality standards and show a clear interest in the community and visitors to Barcelona and its environs.

- The activity or service must be in line with Barcelona City Council’s mobility policy and tourism regulations.

- The activity or service must run for at least 6 months.

- The activity and/or service must be provided in more than one language, at least in English.

- The activity or service must run for at least 6 months a year and offer at least one session or one departure per week.

- The activity or service must be guaranteed when one person has booked.

- Priority will be given to those activities and/or services that offer something different to those already on sale through Barcelona Tickets at the time of booking.

Others:

- Providers must show good practice when running their activity and/or service.

- They must have received no complaints about the activity and/or service they provide.

- If the same or similar kinds of activities and/or services are offered by other providers, Turisme de Barcelona will be able to restrict their number to a maximum of four. Priority will be given to members of other Turisme de Barcelona programmes and the length of time they have provided this service.

- Turisme de Barcelona reserves the right to refuse applicants and can veto those businesses whose products and services do not contribute to improving the Turisme de Barcelona brand and the image of the city.
